## SAVANNAH RESTAURANT

An elevated wood-fire experience in the heart of the wild.

Nestled within the untamed beauty of Al Sahel Villa Resort, surrounded by the sounds and sights of roaming wildlife, Savannah Grill & Lounge offers an extraordinary dining experience where fire, flavour, and nature meet.

Savannah's kitchen boasts the powerful Jospo oven, a world-renowned wood-fire grill that infuses every dish with rich, smoky intensity. From flame-kissed steaks and slow-cooked ribs to delicately charred seafood, every bite is a celebration of primal cooking techniques elevated with finesse. The menu draws inspiration from the raw elegance of the wild, spotlighting bold, fire-grilled meats and seafood that capture the essence of outdoor feasting at the heart of the savannah.

Complementing the fire-driven cuisine is a curated wine list featuring standout labels from the vineyards of South Africa and Argentina, regions known for their bold reds and expressive whites. Our bar boasts a premium selection of rare and aged whiskeys, offering the perfect pairing to your fire-roasted feast or a sunset toast on the terrace.
